vinyl collection 2012

*Dear Friends of our dolls!*

*We are pleased to introduce our new limited doll collection for 2012!*

*All of our collectible dolls have been designed, modeled, hand painted, and clothed in our studio located in the United States. Each doll is a unique creation that you won't find anywhere else.*

*These dolls are exquisite in every detail; all made of the highest quality, and specially designed vinyl-like porcelain. Our dolls' faces are uniquely and individually hand painted. Handmade human hair wigs create the ultimate, one of a kind hairstyle.*

*We believe that the artistry behind mouth-blown glass eyes in our dolls capture the innocence of a child.*

*Our dolls' couture is handmade in our studio of only the finest of materials; many of the outfits are hand painted using all natural and high end accessories. The footwear is all custom designed and made to ensure the highest quality.*

*Each doll is signed; containing its own identity number, and comes with a certificate of authenticity.*

*As always we hope you enjoy our new 2012 collection as much as we enjoyed creating it!  
We look forward to hearing from you again.*
